Objective

A passionate and aspiring web developer, eager to grow in the tech industry. As a dedicated student, I've gained a knowledge and understanding of both front-end and back-end technologies while studying web development. Am excited to continue learning and apply my skills to build user-friendly, responsive websites and applications that make a meaningful impact..

Education

Baliwag Polytechnic College, Baliuag, Bulacan
Bachelor of Science in Information Technology

Skills

- **UI/UX Design**: Proficient in creating user-friendly and visually appealing interfaces
- **HTML & CSS**: Strong ability to design and develop responsive web pages
- **Prototyping**: Experience with tools like Figma and Adobe XD for wireframing and prototyping
- **Basic JavaScript**: Knowledge of adding interactivity and dynamic content to web pages
- **Microsoft Office**: Proficient in Word, Excel, PowerPoint, and Outlook for documentation, presentations, and data analysis
